

## Winter 2009/2010

What a wonderful night when you can ride in the snow under the northern light and the stars or a sunny day with a great view of the mountains.... Welcome to ride Icelandic Horse with us in the north of Sweden near Kiruna!

### Northern lights tour on horseback

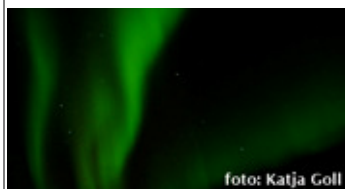

foto: Katja Goll

We pick you up in Kiruna and drive to our farm west of the town in direction of the mountains. In the winter evening you go for a riding tour through many hundred year old forest nestled against the mountain range. We hope you can see the beautiful northern lights and some moose. When you come back you will be served dinner in the goahti (sami hut) consisting our local specialities like game and fish. Your sami guide tells you about the sami culture while sitting round the fire. Afterwards we drive you back to Kiruna.

Included: riding, guide (Swedish, English speaking), helmet, warm outdoor clothes, dinner, transfer

Time: about 4,5 hours, 16.00-20.00 (Dec-Feb) 17.30-22.00 (March)

Cost: SEK 1100 / student SEK 990 (min 2 pers)

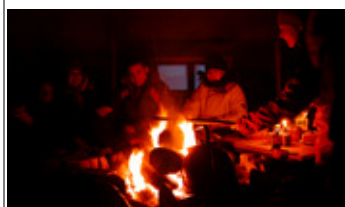

### Moose safari on horseback

We pick you up in Kiruna and drive to our farm west of the town. We drive through the moose winter land and the moose use to be seen close to the road. We prepare the Icelandic horses and go for a tour in the forest where the moose use to be during the day. When we are on horseback we come closer to the animals than usual. When we come back from the riding we have lunch with moose meat. We drive you back to Kiruna.

Time: about 5 hours, 9.30-14.30 (Dec-March)

Included: riding, guide (Swedish, English speaking), helmet, warm outdoor clothes, lunch, transfer

Cost: SEK 1100 / student SEK 990 (min 2 pers)

### Winter weekend on horseback (3 days)

Spend a weekend with us and our Icelandic horses. It is exiting to ride in the snow, both in the forest on smaller tracks and on ice on the river. And think of seeing moose, reindeer and other animals in their natural surroundings. Arriving to us in the afternoon the first day you

start with a practical introduction in Icelandic horse riding and spend the evening in the goahti (Sami hut) round the fire while the guide tells you about the Sami culture. Hopefully we see the beautiful northern lights. The next day you go for longer riding tour with outdoor lunch. The third day you go for a riding tour and end these days by visiting the famous Icehotel in the afternoon. You stay overnight in a house with three rooms, a shared kitchen and bathroom on our small horse farm and eat of the local specialities like game and fish. Our farm is located near the Kalix river with a view of the mountains and the moose and reindeer round the corner.

Included: full board and lodging (dinner 1th day- lunch 3rd day), all activities in the program, horse with equipments, guide (Swedish-, English-speaking), helmet, warm outdoor clothes, transfer Kiruna  
Time: Dec-April (reservation by agreement)

Riding experience: Yes

Cost: SEK 3900 / 425 euro (min 2 pers)

### Winter week on horseback (7 days)

Spend an exciting winter week with us and our Icelandic horses, and make a lot of other activities. It is exiting to ride in the snow, both in the forest on smaller tracks, on snowy roads and of course on ice. Except of riding tours we give you riding classes, visit the famous Icehotel, go ice fishing with snow mobile and go dog sledging during this week. You learn about the Sami culture and have Sami guides with you these days, very familiar with the area and culture. You will feel peace and quiet, and be much out in the nature. Hopefully we will see reindeer, moose and other animals these days. What you will experience when you visit us is both genuine and exiting.

After transfer to our farm the first day you have an introduction and go on a riding tour in the afternoon. You spend the evening in the goahti (Sami hut) round the fire while the guide tells you about the Sami culture. The second day we go ice fishing on a tarn up in the mountains and you go there by snowmobile. You learn how to drive snowmobile this day. In the evening you will have a riding class especial about riding Icelandic horses. The next day we go for a riding tour in the forest and after lunch we go by car to the famous Icehotel. The fourth day you go dog sledging and in the afternoon you visit the reindeer we have on the farm. There you can feed the reindeer and practice how to throw lasso. The fifth day you go for longer riding tour with outdoor lunch and in the afternoon we visit the city Kiruna and have a dinner in a restaurant. The next day we ride on the ice and have a riding class. The last day we bring you back to Kiruna. During this week you stay overnight in a house on our small horse farm with three rooms, shared kitchen and bathroom. Our farm is beautiful

located close to the Kalix river west of Kiruna. We serve you local specialities like game and fish. Maybe we make the activities in the program in another order. Minimum age for this tour is 12 years and maximum weight is 90 kg.

### Winter adventure (4 days)

Welcome to us for a great winter adventure in the north of Sweden with the best of activities. You get to go dog sledging, ride Icelandic horse, learn about the Sami culture and see reindeer, go by snow mobile and ice fish. You have Sami guides with you these days, very familiar with the area and culture. During these days we also visit the famous Icehotel. You will feel peace and quiet, and be much out in the nature. Hopefully we will see northern lights, reindeer, moose and other animals. What you will experience when you visit us is both genuine and exiting.

After arrival transfer to Puoltsa. We have an introduction and after that you have to dress for outdoor activities in winter time. We start with a riding tour in the forest this afternoon. Hopefully we see both reindeer and moose. The dinner this evening we eat in a Sami "hut" (goahti) sitting round the fire. The second day we go ice fishing on a tarn up in the mountains and you go there by snowmobile. You learn how to drive snowmobile this day and are guided by a Sami guide who knows the nature and animals. It is very exciting to ice fish when you look through the hole in the ice and see the fish. In the evening you will have a riding class especially about riding Icelandic horses. The next day you go for dog sledging, with a sledge pulled by sled dogs. In the afternoon you get to know the reindeer we have on the farm and the Sami culture. You can practice to throw lasso also. After a day outdoors you will sleep well. The last day we visit the famous Icehotel and after lunch transfer to the airport/railway station. You stay overnight in a house with three rooms and a shared kitchen, bathroom at our horse farm. We eat local specialities like game and fish. Minimum age for this tour is 12 years and maximum weight 90 kg.
